

MagSnap 360™ Dual-Wire Thermoplastic Wrist Strap

★★★
NEW
PRODUCT

1

Magnetic Connection Between Wristband and Coil Cord
Creates a superior electrical connection to eliminate intermittent failures found in traditional snap & spring connections

2

360° Rotation Between Wristband and Coil Cord
Promotes freedom of motion and reduces strain on the operator's wrist

3

Patented* Latching Mechanism
Adjusts the wristband's diameter from 1.7 to 2.6 inches

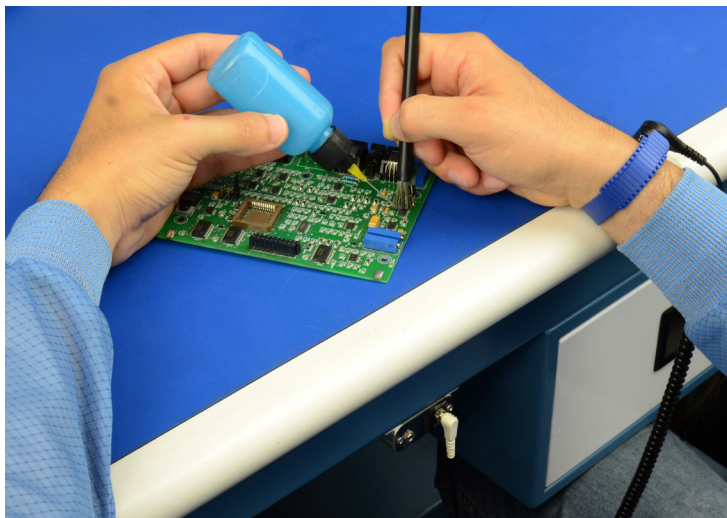

4

Use with Dual-Wire Monitors
Compatible with SCS Dual-Wire Monitors and other brands that accept a 3.5 mm phono plug
