## RoHS Statement

Thank you for your inquiry regarding compliance to RoHS 2 (2011/65/EU) and Directive EU 2015/863 for product ALABEL5/8X2.

This product falls outside the scope of the RoHS. The European directive is to control hazardous substances (RoHS Reduction of Hazardous Substances) in a number of categories; this item is not included in any of the RoHS 3 categories.

However, none of the following materials have ever been intentionally added in manufacturing of these products: lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE), nor the four phthalates (DEHP, BBP, BBP, DIBP) as outlined in Annex II of Directive (EU) 2015/863.

The product composition information is to the best of our knowledge and may be based on third party supplier information and/or our knowledge and experience regarding typical substance composition found in materials used in ESD control and other products. The statements herein do not account for revised or subsequent laws, rules, directives, or other legal requirements. The purchaser of the aforementioned product(s) has the responsibility to determine suitability for any particular application or intended use and to ensure compliance with applicable regulations.

A handwritten signature in black ink that reads 'Jeffrey Bell'.
