

NEW SCS STATIC CONTROL PRODUCTS

PACKAGING PRODUCTS

Dri-Shield® 2000 Series
Designed for moisture and electrostatic discharge (ESD) sensitive items (such as SMT)

PCL100 Clean Series Static Shielding Bag
ESD Safe Packaging for Cleanroom Use

2300R Series Cushioned Tape Top Bag
Metallized Shielding Bag with Closed Cell Air-Cushion Protection Layers

1000 Series Tubing Roll
Protects ESD sensitive contents from electrostatic fields and electrostatic discharges (ESD)

Gusset Bags
Protects ESD sensitive contents from electrostatic fields and electrostatic discharges

WORKSTATION & GROUNDING PRODUCTS

Adjustable Wrist Strap
Fits most sizes to provide reliable protection

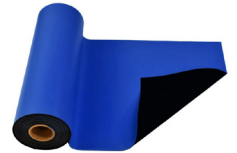

MagSnap 360°™ Metal Wrist Strap Kit
360° Rotation Between Wristband and Coil Cord

Heel Grounder with Dual Cup
Used to ground standing or mobile operator to ESD Flooring

Smocks
Shields ESD charges on operators' clothing from damaging ESD sensitive items

R3 Series 2 Layer Matting
Provides a worksurface that does not generate a static charge

ELECTRONIC PRODUCTS

Workstation Dual-Wire Monitor
Visible and audible alarms indicate improper grounding of the operator and worksurface

Common Point Ground Monitor
Continuously monitors the path-to-ground integrity of the outlet

Ion Pro™ Benchtop Ionizer
Steady-state DC Benchtop Ionizer with Ion Gauge™ Technology

WS Aware Dual Wire Monitor
Ensures ongoing monitoring of two operators and two worksurfaces for ESD Compliance with software compatibility

EOS/ESD Assessment Kit
Use to measure, verify and qualify products for use in the ESD Protected Area

EM Eye ESD Event Meter
Detects, counts and measures ESD events that can damage ESD items

SMP Web App
Continuously monitor your entire ESD process control system throughout all stages of manufacturing

Resistance Pro Meter Kit
Displays resistance mantissa and exponent, temperature, relative humidity and test voltage
